

Get your H1N1 Flu Vaccine!

The Shiawassee County Health Department is now scheduling appointments for H1N1 influenza vaccination!

The vaccination is FREE!

Individuals in the following priority groups are currently eligible for the H1N1 influenza vaccine:

- Pregnant women
- People 6 months thru 24 years of age
- People who live with or care for infants younger than 6 months of age
- Healthcare and emergency services personnel
- People aged 25 thru 64 years who have health conditions associated with a higher risk of medical complications from influenza

According to the Center for Disease Control and Prevention individuals in these priority groups are at the highest risk for complications related to influenza. Once these groups are adequately vaccinated the CDC will allow us to vaccinate anyone that requests the vaccine.

**SCHD will also be providing H1N1 vaccinations at the Baker College Welcome Center December 7th and 14th from 4p-7p.
(No appt. is necessary)**

If you meet the criteria for vaccination please call the Shiawassee County Health Department to schedule an appointment today at 989-743-2356.

We have both the FluMist H1N1 Vaccine (nasal spray) and the Injectable Vaccine available
